Dear Ser,

1/14/04

Please let me know to were I need to send this email and talk with in the telephone in the USPTO.(and/or by emails or fax)

In My last response-To your Office Action (mailed June 16, 2003) I have attached a credit card payment Form in the amount of US\$475, that was paid by a credit card of Nancy Cohen.

My response was sent by fax twice, because I found mistakes in the first response which was cancelled by my second response. (from the date of December 16, 2003)

Maybe that is way the USPTO made a mistake and took the US\$475 twice (US\$950) by using twice the credit card form. (a Visa credit card)

The first time was in the date of December 22, 2003. (US\$475)

The second time was in the date of January 11, 2004. (US\$475)

This details was told to Nancy Cohen by her Bank (the Visa card holder who paid this US\$950 for me.)

Please help me if you can to get back the US\$475 - so I can use it to pay Urgently the renewals fee that I have to pay till the end of this month for countries in Europe.

I need this Money Urgently.

Please transfer this email to the right place in the USPTO, so they will cancel one of the payment that they took by mistake from Nancy Cohen.

If it is not possible now, Please let them know that it is urgent for me that they will send Urgently the US\$475 by Money transfer to:

Nancy Cohen

Swift: **BARDILITA 666**

F/o Nancy Cohen

Account No. **80187**

The name of the bank is : "Marcantile Discount Bank Ltd" , Branch No. 666

The Bank address is: Ben Gorion st. 182 , Givaatim, Israel.

If it's also not possible, please send a Cheque to Nancy Cohen under her name to her address which is:

Nancy Cohen

Haroe street 144,

Ramat Gan 52375, Israel.

Please don't send the Money with a Cheque under My name.

Please let me know to were I need to send this email and talk with in the telephone in the USPTO.(and/or by emails or fax)

Thank you so much for your help.
